ATTENTION: HUMAN RESOURCES

Greetings,

I am very interested in the position of Web Developer Intern with Novisto. As a web developer, I believe I can offer a high quality of work that goes above and beyond what is expected. I have extensive knowledge of Typescript, React, PHP Theme Development, and design tools in the adobe suite.

I believe that my drive, attention to detail, willingness to always continue learning, and a familiarity with building applications and networks will make me a valuable asset to your team.

Tech Skills aren't the only assets I bring, I also have the drive, passion and interpersonal skills that are needed to take on a position like this. I am excited to hear more about this opportunity and how I might be a good fit.

I am very much looking forward to hearing from you and I can be reached via the details above.

With Best Regards,

JED BORSETH
